

## ***English Speaking and Listening Test***

**Directions:** Practice asking your student these questions. They should be able to answer the questions at the level they last tested into, all those before it and the next level up that they will hopefully test into. Give them enough practice so that they answer with good grammar and pronunciation. You can even have them write down some of the answers for writing practice.

### **Level 0-1, Emergent Speaking and Listening Review**

1. Where are you from?
2. What city do you live in now?
