Independent Accountant's Review Report

To the Board of Directors Literacy Volunteers of Charlottesville / Albemarle Charlottesville, Virginia

I have reviewed the accompanying financial statements of Literacy Volunteers of Charlottesville / Albemarle (a nonprofit corporation), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the organization's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

My responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for my conclusion.

Accountant's Conclusion

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Note 1. Organization and Nature of Activities

Literacy Volunteers of Charlottesville / Albemarle (the Organization) is a nonprofit organization formed in Virginia in November 2003, organized to foster and promote literacy in the City of Charlottesville, the County of Albemarle and contiguous areas. Originally an affiliate of Literacy Volunteers of America, the Organization's primary purpose is to recruit and train volunteers to tutor adults on a one-on- one basis to increase literacy. Its primary programs are Workforce Development, Citizenship and Civics Instruction, English as a Second Language Instruction, and Basic Literacy and Numeracy Instruction.

The Organization is supported primarily through funding from state, local city and county grants, and private donations. It also holds fundraising events.

Note 2. Summary of Significant Accounting Policies

Basis of presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donorimposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization's management and board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by grantors and donors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization, or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Organization has no funds required to be maintained in perpetuity at June 30, 2020.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Measure of operations

The statement of activities reports all changes in net assets, including changes in net assets from operating activities. Operating activities consist of those items attributable to the Organization's ongoing literacy programs.

Note 2. Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

The Organization's cash consists of cash on deposit with banks. For purposes of the statement of cash flows, the Organization considers all cash accounts that are not subject to withdrawal restrictions or penalties and all highly liquid debt instruments with original maturities of three months or less to be cash equivalents.

Concentration of Credit Risk

The Organization maintains its cash in bank, money market accounts, and short-term certificates of deposit which, at times, may exceed federally insured limits. The Organization's cash accounts have been placed with high credit quality financial institutions. The Organization has not experienced, nor does it anticipate, any losses with respect to such accounts.

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and / or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

In-kind donations

Numerous volunteers contributed over 21,000 hours to the Organization's mission, which the Independent Sector (a national coalition of nonprofits, foundations, and corporate giving programs) values at approximately \$598,000. These services were not reflected in the accompanying statement of activities because they do not meet the necessary criteria for recognition under US GAAP.

Note 2. Summary of Significant Accounting Policies (continued)

Deferred Revenue and Revenue Recognition

Deferred revenue consists of ticket revenue and sponsorship for the annual "Wordplay" fundraising event. Ticket sales and sponsorship for the event are recognized as revenue when the event is held.

Property and Depreciation

Property and equipment are stated at cost at the date of purchase or, if donated, at fair value at the date of donation, less accumulated depreciation. Depreciation is calculated using the straight-line method over the lesser of the estimated useful lives of the assets or the lease term. The useful lives range from three to twelve years. Normal repairs and maintenance are expenses as incurred.

Functional Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting activities benefitted. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

Expense	Method of Allocation
Salaries and benefits	Time and effort
Professional services	Specific to project
Occupancy	Time and effort
Special events	Specific to project
Travel / meetings	Specific to project
Other operating costs	Time and effort

Income Taxes

The Organization is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. The Organization has processes in place to ensure the maintenance of its tax-exempt status; to identify and report income unrelated to its exempt purpose; to determine its filing and tax obligations; and to identify and evaluate other matters that may be considered tax positions. Management has evaluated the Organization's tax positions and determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

Note 2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity US GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Note 3. Availability and Liquidity

At June 30, 2020, the Organization had the following financial assets:

Cash and cash equivalents	\$ 230,900
Grants and accounts receivable	48,301
Total financial assets	279,201
Less amounts not available to be used within one year	-
Financial assets available to meet general expenditures	
over the next twelve months	\$ 279,201

The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Note 4. Lease Commitments

The Organization entered into a lease agreement that began December 1, 2017 for its facilities for a five year term. Rent expense for the year ended June 30, 2020 was \$52,660 before sublease income of \$4,140. Minimum annual future rental commitments under the lease agreement are as follows:

Fiscal Year End	Rental Expense
2021	\$ 53,650
2022	54,991
2023	57,775
	\$166,416

There is an option to renew the lease for a five year period.

Note 5. Note Payable, SBA Paycheck Protection Program

The Organization received a loan sponsored by the U.S. Small Business Administration under the Coronavirus Aid, Relief, and Economic Security Act (CARES ACT) Paycheck Protection Program in the amount of \$52,600 on May 7, 2020 for the purpose of retaining employees, and making lease payments and other allowable costs in accordance with provisions of the CARES ACT.

The promissory note establishes repayment terms consisting of eighteen consecutive monthly payments including principal and interest at the rate of 1%, commencing in December 2020.

The CARES ACT provides for a process to obtain forgiveness of some or all of the loan amount for eligible costs paid during the covered period, as determined by the lender. The lender must confirm to the SBA that information provided as documentation for the loan meets the requirements established by the CARES ACT and must request payment from the SBA for the amount determined to be eligible for forgiveness not later than 60 days after receipt of a complete loan forgiveness application.

The SBA will remit the appropriate forgiveness amount, plus any accrued interest from the date of the loan, to the lender, subject to amy SBA review of the loan documentation, not later than 90 days after the lender submits approved forgiveness amounts to the SBA.

It is the Organization's expectation that 100% of the loan will qualify for forgiveness by the SBA. Once notice that the SBA has satisfied their guarantee to the lender, and when legal release is granted by the SBA or lender, the loan will be removed from the liabilities of the Organization and a gain on extinguishment of debt will be recognized.

Note 6. Net Assets

Net assets with donor restrictions were as follows for the year ended June 30, 2020:

Specific Purpose	
Workforce development programs	\$ 47,906
Health literacy	10,000
	\$57,906

Note 7. Defined Contribution Plan

The Organization contributes to a SIMPLE IRA Plan which covers all eligible full-time employees. The assets are held for each employee in an individual account maintained by an investment firm. The Organization contributes 2% of each eligible employee's earnings to the plan. The Organization's total retirement expense for the year ended June 30, 2020 was \$4,027.

Note 8. Subsequent Events

The Organization's management has evaluated subsequent events and transactions for potential recognition or disclosure through September 16, 2020, the date the financial statements were available to be issued.

Management is carefully monitoring the effects of the Covid-19 virus on the organization's ability to obtain contributions and volunteers. Declared a global pandemic by the World Health Organization on March 11, 2020, it caused the Organization to postpone the Special Event normally held in April, for a year. The future effects of the pandemic are unknown. No adjustments have been made to these financial statements as a result of this uncertainty.
