As small business owners with a heart for investment in the community of Charlottesville, we were supporters of LVCA early on. Tina was a tutor; as a writer, I believe that literacy is not only the ability to read and write in a given language. It is an open door to greater opportunity, equity, and the pursuit of a life well lived. Each year it is a pleasure to be a part of Wordplay in any way that we can. But Wordplay is only one day. The Pie Chest continues to support LVCA throughout the year by spreading awareness and encouraging volunteers. There is nothing more beautiful than watching the transformation that LVCA students undergo. — Rachel, THE PIE CHEST
